7.

Part 'B' is unsuitable to make detailed comments about specific elements of the Local Plan. It does not permit any detail regarding events leading up to when the public were informed of the Local Plan. For this reason I have submitted separately my personal reasons with full details of events that have led to the Local Plan being unsound.

Please refer to my Representation attached to my email sent on Tuesday 24th Jun 2014

Continue on a separate sheet if necessary

8.

The Local Plan does not conform to the NPPF. The detail is in my representation previously submitted.

Continue on a separate sheet if necessary

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested modification, as there will not normally be a subsequent opportunity to make further representations based on the original representation at publication stage. After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.

No, I do not wish to participate at the oral examination

Yes, I wish to participate at the oral examination

10. If you wish to participate at the oral part of the examination, please outline why you consider it this to be necessary:

The allocated time for participants to speak is too brief to cover the wide ranging reasons and background that backs up these reasons

Please note: This written representation carries the same weight and will be subject to the same scrutiny as oral representations. The Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate at the oral part of the examination.
