This consultation stage is a formal process and represents the last opportunity to comment on the Council's Local Plan and accompanying Sustainability Appraisal (SA) before it is submitted to the Secretary of State. All comments made at this stage of the process are required to follow certain guidelines as set out in the **Representation Form Guidance Notes** available separately. In particular the notes explain what is meant by legal compliance and the 'tests of soundness'.

This form has two parts:

- **Part A – Personal Details**
- **Part B – Your Representations**

If you are commenting on multiple sections of the document, you will need to complete a separate Part B of this form for each representation on each policy.

This form may be photocopied or alternatively extra forms can be obtained from the Council's offices or places where the plan has been made available (see the table below). You can also respond online using the Council's e-Consultation System, visit: www.warwickdc.gov.uk/newlocalplan

Please provide your contact details so that we can get in touch with you regarding your representation(s) during the examination period. Your comments (including contact details) cannot be treated as confidential because the Council is required to make them available for public inspection. 7. Please give details of why you consider the Local Plan is not legally compliant or is unsound or fails to comply with the duty co-operate. Please be as precise as possible. If you wish to support the legal compliance or soundness of the Local Plan or its compliance with the duty to cooperate, please also use this box to set out your comments.

"Strategic Policy DS1: Supporting Prosperity

We will provide for the growth of the local and sub-regional economy by ensuring sufficient and appropriate employment land is available within the District to meet the existing and future needs of businesses."

That wording lends itself to the suggestion that the Council is willing to provide all the land for the growth of both the local and the sub-regional economy. That would not allow the balance between the three roles - economic, social and environmental - the NPPF requires and is not appropriate or acceptable.

The wording in box 8 is suggested.

Continue on a separate sheet if necessary

8. Please set out what modification(s) you consider necessary to make the Local Plan legally compliant or sound, having regard to the test you have identified at 7. above where this relates to soundness. (Please note that any non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why this modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

The following wording is suggested:

"Strategic Policy DS1: Supporting Prosperity

We will provide for the growth of the local economy, consistent with social and environmental considerations, by ensuring appropriate land is available to meet the existing and future needs of local businesses, subject to those considerations, and will work with other Local Authorities in the sub-region towards together providing appropriate land to support the sub-regional economy, again subject to the same considerations."

Continue on a separate sheet if necessary

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested modification, as there will not normally be a subsequent opportunity to make further representations based on the original representation at publication stage.

After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.

No, I do not wish to participate at the oral examination

Yes, I wish to participate at the oral examination

10. If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary:

This Representation links with my Representations against Policies DS16 and DS19. They are detailed and, having regard to their contents, I wish to be able to participate in the oral part of the Examination.

Continue on a separate sheet if necessary

Please note: This written representation carries the same weight and will be subject to the same scrutiny as oral representations. The Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate at the oral part of the examination.
