This consultation stage is a formal process and represents the last opportunity to comment on the Council's Local Plan and accompanying Sustainability Appraisal (SA) before it is submitted to the Secretary of State. All comments made at this stage of the process are required to follow certain guidelines as set out in the **Representation Form Guidance Notes** available separately. In particular the notes explain what is meant by legal compliance and the 'tests of soundness'.

This form has two parts:

- Part A – Personal Details
- Part B – Your Representations

If you are commenting on multiple sections of the document, you will need to complete a separate Part B of this form for each representation on each policy.

This form may be photocopied or alternatively extra forms can be obtained from the Council's offices or places where the plan has been made available (see the table below). You can also respond online using the Council's e-Consultation System, visit: www.warwickdc.gov.uk/newlocalplan

Please provide your contact details so that we can get in touch with you regarding your representation(s) during the examination period. Your comments (including contact details) cannot be treated as confidential because the Council is required to make them available for public inspection. If your address details change, please inform us in writing. You may withdraw your objection at any time by writing to Warwick District Council, address below.

7. Please give details of why you consider the Local Plan is not legally compliant or is unsound or fails to comply with the duty co-operate. Please be as precise as possible. If you wish to support the legal compliance or soundness of the Local Plan or its compliance with the duty to cooperate, please also use this box to set out your comments.

Traffic congestion & parking: m-street (& on pavement) parking creates hazards on the road. Increased numbers of vehicles & traffic will make this worse. The danger is not just to children & other pedestrians: there has already been an incident where a fire engine was unable to enter the road due to obstruction by parked vehicles. Access into & out of Briercliffe onto Wellbourne Rd is dangerous, due to parked cars on both roads & cars connected with Cressing Cars Garage.

Sewerage: the sewage pumping station (^{the} on ^{the} Barrows) is already overloaded (resulting in 2 surcharges in three years for its repair & maintenance) An additional 12 properties will obviously make this situation worse.

8. Please set out what modification(s) you consider necessary to make the Local Plan legally compliant or sound, having regard to the test you have identified at 7. above where this relates to soundness. (Please note that any non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why this modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

The Local Plan should be modified to one new housing estate - i.e. the Nursery site - which would then mean Barford would have 2 housing estates of equal size.

Continue on a separate sheet if necessary

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested modification, as there will not normally be a subsequent opportunity to make further representations based on the original representation at publication stage. After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.

7. • The Bat House: There are also concerns about the Bat house, which is situated on the corner of Bromridge close & the ~~field~~ field (proposed site of new houses). Once built & used, a Bat House should remain in perpetuity - it is difficult to see how access to the field could be gained around the Bat House.

9. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination?

No, I do not wish to participate at the oral examination ✓

Yes, I wish to participate at the oral examination

10. If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary:

Continue on a separate sheet if necessary

Please note: This written representation carries the same weight and will be subject to the same scrutiny as oral representations. The Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate at the oral part of the examination.

11. Declaration

I understand that all comments submitted will be considered in line with this consultation, and that my comments will be made publicly available and may be identifiable to my name/organisation.
