7. Please give details of why you consider the Local Plan is not legally compliant or is unsound or fails to comply with the duty co-operate. Please be as precise as possible. If you wish to support the legal compliance or soundness of the Local Plan or its compliance with the duty to cooperate, please also use this box to set out your comments.

Emerging Policy DS7 establishes that the housing need identified by emerging Policy DS6 will be met which includes the provision of 12,964 homes.

There is no objection to the distribution of housing proposed by emerging Policy DS7, however it is considered that the total number of dwellings and thus, proportion distribution, should be increased to ensure the Council meets its full Objective Assessed Housing Need, as outlined above in our response to emerging Policy DS6.

The Village Housing Options and Settlement Boundary (VHOSB) document identified that Burton Green, as a 'Secondary Service Village', would deliver between 70 and 90 dwellings. It is now proposed that the Burrow Hill site will deliver only 60 dwellings, below the requirement established in the VHOSB document. Other Secondary Service Villages which are equally sustainable, such as Barford and Hatton Park, are still expected to deliver 80 dwellings each, within the range identified in the VHOSB document.

In light of the above, the Local Plan Publication Draft is not considered to be positively prepared, nor effective in respect of paragraph 182 of the NPPF.

Continue on a separate sheet if necessary

8. **Please set out what modification(s) you consider necessary to make the Local Plan legally compliant or sound, having regard to the test you have identified at 7. above where this relates to soundness. (Please note that any non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why this modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.**

The total number of dwellings to be delivered in Burton Green should be increased to 90 dwellings to reflect number of dwellings identified in the Village Housing Options and Settlement Boundaries document, the net loss of dwellings and potential that the site to be allocated in Burton Green at Burrow Hill Nursery is not deliverable until later in the Plan Period, if at all, as discussed in further detailed in our response to emerging Policy DS11.

Continue on a separate sheet if necessary

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested modification, as there will not normally be a subsequent opportunity to make further representations based on the original representation at publication stage. **After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues** he/she identifies for examination.

9. If your representation is seeking a modification, do you consider it necessary to participate at the oral **part of the examination?**

No, I do not wish to participate at the oral examination

**Yes,** I wish to participate at the oral examination

10. If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary:

We wish to reserve the right to participate at the oral part of the Examination to emphasis the proposed amendments to emerging Policy DS.7.

Continue on a separate sheet if necessary

Please note: This written representation carries the same weight and will be subject to the same scrutiny as oral representations. The Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate at the oral part of the examination.
