Dear Sir or Madam,

Site reference GT08: Depot west side of Cubbington Heath Farm, Leicester Lane.

I write with reference to the proposed use of the above land by Warwick District Council as a possible site for travellers and gypsies. It is my understanding that this site provides the sole income for the Cubbington Freeholders. Our Church and Parish have received many benefits over recent years as a result of financial assistance from the Freeholders charity. It would be regrettable and have an adverse effect locally if this could not continue.

I therefore object to the proposed use of this site.
