What is the nature of your representation? Support Object Comment

Please set out full details of your objection or representation of support with reference to the criteria above.

We've recently had a small number of travellers on this road, which were illegally there. -The amount of mess, disruption + concern this caused was huge. I would not be happy to have a whole site of travellers!

This site is a green belt site + should not be used for travellers. The road is already an extremely busy one, we would only be adding to the disruption. Crime went up with the small amount of travellers on site, I would be hugely concerned that the crime would dramatically rise if this was allowed. I would also be fearful to go anywhere near the site!

I am concerned about the environmental impact on such a historical site.

Part B - Commenting on the Gypsy and Traveller Preferred Sites

If you are commenting on multiple sites you will need to complete a separate sheet for each representation

Sheet 2 of 2

If you have objected to a Preferred Option site, is there another site (green or amber) from the Alternative Sites that you would support instead? Give your reasons for preferring this site?

I am not aware of all details of other sites but surely other sites away from built up, family areas should be considered.

Do you have any other suggestions for land within this district that you think would be suitable for use as a Gypsy and Traveller site, bearing in mind the criteria for site identification? If so, please give the location and the land owner's details below:

Birmingham / Coestry.
