**Policy DS20 – Accommodating Housing Need Arising From Without The District.**

**7. Please give details of why you consider the Local Plan is not legally compliant or is unsound or fails to comply with the duty co-operate. Please be as precise as possible. If you wish to support the legal compliance or soundness of the Local Plan or its compliance with the duty to cooperate, please also use this box to set out your comments.**

We note that the Council recognises that there is likely to be significant need to provide for housing need arising outside the district, a view with which we would concur. The council does however appear to have focused its attention on the Coventry and the five Warwickshire Districts forming the Coventry and Warwickshire Market Area with less emphasis on potential demand arising from the greater Birmingham Area and surrounding area including Solihull which is somewhat surprising given that Warwick District physically abuts Solihull and that certain areas of the District, such as land adjacent to Hockley Heath, may have potential to assist in providing land to meet shortfalls within area such as Birmingham and the wider conurbation.

We consider that not having properly addressed this at this point in the planning process is a significant weakness and one that needs to be remedied urgently with a comprehensive review of the Green Belt and a full and proper assessment of the housing need arising from not only the Coventry and Warwickshire Market Area, but also the Birmingham conurbation, and for appropriate provision to be made in this regard.

**8. Please set out what modification(s) you consider necessary to make the Local Plan legally compliant or sound, having regard to the test you have identified at 7. above where this relates to soundness. (Please note that any non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why this modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.**

We consider that a comprehensive review of the Green Belt and a full and proper assessment of the housing need arising from not only the Coventry and Warwickshire Market Area, but also the Birmingham conurbation, needs to be undertaken and for appropriate provision to be made in this regard including the release of land from the Green Belt where necessary.
