Dear Sir or Madam

McLoughlin Planning was instructed to submit representations on the Plan by Centaur Homes. At the time of the representations, we did not indicate whether we would wish to appear at the Examination. We have now been instructed to appear at the Examination and could you please amend our records accordingly so that we can be invited to attend the examination?

These were sent to the above email address on 27 June at 15.57pm by my colleague Guy Kippen, who has had receipt of the reps confirmed.

Regards
