All comments made at this stage of the process are required to follow certain guidelines as set out in the **Representation Form Guidance Notes** available separately. In particular the notes explain what is meant by legal compliance and the 'tests of soundness'.

This form has two parts:

If you are commenting on multiple sections of the document, you will need to complete a separate Part B of this form for each representation on each policy.

This form may be photocopied or alternatively extra forms can be obtained from the Council's offices or places where the plan has been made available (see the table below). You can also respond online using the Council's e-Consultation System, visit: www.warwickdc.gov.uk/newlocalplan

Publication Draft Representation Form 2014

Para 8

I comment on the proposals for a Park and Ride Scheme at Blackdown:

1. The proposed area is within the Green Belt crucial to the separation of Leamington from Kenilworth; this part of the Green Belt has regularly been under threat for the 19+ years I have lived at Blackdown.
2. The Park and Ride scheme will not attract motorists because
 - a) Many motorists work on the South side of Leamington and bus connections from Blackdown to South Leamington are poor.
 - b) Bus reliability to and from Leamington is poor, rarely keeping to the posted timetable (I am a regular bus passenger to Leamington). Being late for work would be unacceptable.
 - c) Return bus fares are expensive
 - d) The weight, bulk and inconvenience of carrying back shopping is a considerable deterrent. I suspect that a Park and Ride Scheme at Blackdown would mean many would change to Kenilworth to shop where there is ample car parking space e.g. Sainsbury; Waitrose.
 - e) There is abundant affordable parking located in different parts of Leamington that is convenient to work and shopping in different parts of the town
 - f) The increase in hard standing will inevitably lead to more rain run-off, adding to that of nearby large buildings such as North Leamington School, Nuffield Hospital, Ramada Hotel and other buildings. Climate change is said to increase storm periods hence run-off.
 - g) I think that a Park and Ride scheme would be expensive to implement and unlikely to be financially viable.
3. If the WDC decides that a Park and Ride is essential (I don't think it is) an alternative and better location would be the proposed Thickthorn Development at the junction of the A46/A452. This location
 - a) Has a larger catchment area which would serve Kenilworth, Coventry, two universities as well as Leamington
 - b) Is already part of the Kenilworth town curtilage, adjacent to major roads, and would minimise intrusion to the Green Belt.

7. Please give details of why you consider the Local Plan is not legally compliant or is unsound or fails to comply with the duty co-operate. Please be as precise as possible. If you wish to support the legal compliance or soundness of the Local Plan or its compliance with the duty to cooperate, please also use this box to set out your comments.

Continue on a separate sheet if necessary

8. Please set out what modification(s) you consider necessary to make the Local Plan legally compliant or sound, having regard to the test you have identified at 7. above where this relates to soundness. (Please note that any non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why this modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Continue on a separate sheet if necessary

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested modification, as there will not normally be a subsequent opportunity to make further representations based on the original representation at publication stage. **After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.**

10. If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary:
