Dear Sir/Madam,

### **Warwick District Local Plan 2011 – 2029 (Focused Consultation)**

Thank you for your consultation on the above dated 31<sup>st</sup> October 2014 which was received by email on the same date.

Natural England is a non-departmental public body. Our statutory purpose is to ensure that the natural environment is conserved, enhanced, and managed for the benefit of present and future generations, thereby contributing to sustainable development.

The proposed allocation of land at Stratford Road, Warwick does not appear likely to impact on designated site or landscape and we therefore see no need to amend the comments we made during the previous consultation period.

We would be happy to comment further should the need arise but if in the meantime you have any queries please do not hesitate to contact us.

For any queries relating to the specific advice in this letter only please contact Jamie Melvin on 2497. For any new consultations, or to provide further information on this consultation please send your correspondences to [consultations@naturalengland.org.uk](mailto:consultations@naturalengland.org.uk).

We really value your feedback to help us improve the service we offer. We have attached a feedback form to this letter and welcome any comments you might have about our service.

Yours faithfully,

Mr Jamie Melvin
