Part B - Commenting on the Stratford Road Gypsy and Traveller Preferred Site

The policy in the Draft Local Plan will list the criteria by which Gypsy and Traveller sites will be judged for suitability and sustainability. These are the criteria:

- a) the site is within reasonable distance of schools, GP surgeries, dentists, hospitals, shops and community facilities;
- b) the site has good access to the major road network;
- c) the site is of a suitable size to accommodate between 5 and 15 pitches for permanent sites or 12 pitches for transit sites;
- d) it can be demonstrated that infrastructure requirements can be adequately met;
and
- e) there is potential for the site to be adequately screened.

What is the nature of your representation? Support Object Comment

Please set out full details of your objection or representation of support with reference to the criteria above.

Although my objection relates specifically to this site, my comments are applicable to other proposed sites.

The Council has indicated proposed sites but has given no assurances about how they will be managed how they will ensure that those using the sites comply with terms of use. Residents close to the sites have concerns about whether users of the sites will be good neighbours, whether there will be issues of crime or anti-social behavior and whether there will be adverse impacts on property prices and ease of selling property. How will the Council address these matters?

What experiences have other councils had regarding permanent gypsy and traveler sites? How frequently have the above issues been encountered and how quickly have the councils rectified the problems? How quickly have they evicted users of these sites when there has been criminal or anti-social behaviour? What guarantees can the Council give that the sites will be actively managed and conditions of use strictly enforced? If the Council does not adequately enforce conditions of use what rights of redress will residents have against councilors and employed officials such as their dismissal?
