## Part B - Commenting on the Stratford Road Gypsy and Traveller Preferred Site

The policy in the Draft Local Plan will list the criteria by which Gypsy and Traveller sites will be judged for suitability and sustainability. These are the criteria:

- a) the site is within reasonable distance of schools, GP surgeries, dentists, hospitals, shops and community facilities;
- b) the site has good access to the major road network;
- c) the site is of a suitable size to accommodate between 5 and 15 pitches for permanent sites or 12 pitches for transit sites;
- d) it can be demonstrated that infrastructure requirements can be adequately met;  
and
- e) there is potential for the site to be adequately screened.

What is the nature of your representation?  Support  Object  Comment

Please set out full details of your objection or representation of support with reference to the criteria above.

I forgot to add:

(c) The site would never be granted a permission for residential use; why would permission be given for residential caravans, not insulated from the noise of the M40?

(d) It is difficult to understand how infrastructure requirements could be met within the confines of the cordon sanitaire around Severn Trent's works.
