Part B - Commenting on the Stratford Road Gypsy and Traveller Preferred Site

The policy in the Draft Local Plan will list the criteria by which Gypsy and Traveller sites will be judged for suitability and sustainability. These are the criteria:

- a) the site is within reasonable distance of schools, GP surgeries, dentists, hospitals, shops and community facilities;
- b) the site has good access to the major road network;
- c) the site is of a suitable size to accommodate between 5 and 15 pitches for permanent sites or 12 pitches for transit sites;
- d) it can be demonstrated that infrastructure requirements can be adequately met;
and
- e) there is potential for the site to be adequately screened.

What is the nature of your representation? Support Object Comment

Please set out full details of your objection or representation of support with reference to the criteria above.

I am currently renting a lovely house that I would like to buy and a local gypsy site would make the value of the property go down which would benefit me greatly, but then I wouldn't want to buy a house in the vicinity of a local Gypsy site and I am sure that this will impact the local economy if one is given permission
There are a few other concerns, access for the site, from what I can understand about where the site is proposed the access is terrible on a very busy stretch of road. More traffic on the roads, the roads in Warwick are small enough and the fact that the area is a flood plain. When I was getting house insurance Stratford Road is highlighted as a flood plain, how much is it going to cost to put in correct drainage to stop this being an issue?
