Dear Sir or Madam,

It was with shock and incredulity that I learnt of the proposal to put a permanent Gypsy and Traveller site on Stratford Road in Warwick.

You do not need me to rehearse for you the reasons why, in my opinion, this site is inappropriate as I am sure you will be well aware of them.

However, I do feel as a local resident that I must register my very deep concern about the proposal and my fervent hope that Warwick District Council will withdraw it.

Yours faithfully,
