

To the WDC Planning Department

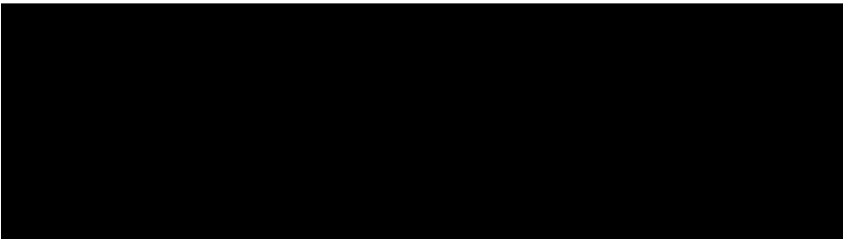

Your ref Proposed Gypsy & Traveller site adjacent to
the Stratford Road, Warwick.

Dear Sir/Madam

On the grounds of Road Safety, for both The Romany & other users of the Stratford Road, My view is this site is too dangerous to be considered.

1. I regularly walk & cycle along the Stratford Road footpath.
2. The Current level of traffic makes it dangerous to cross from one side to the other.
3. Romany Children would be knocked down if they tried crossing this Road.
4. The Romany uses small & medium sized HGV's, which would make Road & it's roundabouts even more hazardous than at present.
5. At Peak times, The Stratford Road is heavily congested, & the Romany HGV's would make this congestion worse.

Yours Faithfully

Gerard Black
