Part B - Commenting on the Stratford Road Gypsy and Traveller Preferred Site

The policy in the Draft Local Plan will list the criteria by which Gypsy and Traveller sites will be judged for suitability and sustainability. These are the criteria:

- a) the site is within reasonable distance of schools, GP surgeries, dentists, hospitals, shops and community facilities;
- b) the site has good access to the major road network;
- c) the site is of a suitable size to accommodate between 5 and 15 pitches for permanent sites or 12 pitches for transit sites;
- d) it can be demonstrated that infrastructure requirements can be adequately met;
and
- e) there is potential for the site to be adequately screened.

What is the nature of your representation?

Please set out full details of your objection or representation of support with reference to the criteria above.

SITE ACCESS

Proposed entrance and exit to the site involves coming out onto the busy Stratford Road at a point where the road has a sharp bend. Turning either left onto the A429 towards the Longbridge Island cv, turning right onto the A429 towards Warwick, would be hazardous for large vehicles due to poor visibility at the bend point of the A429 road.

Poor access and safety issues are the reason that this site position is objected to.

WARWICK
