Dear Sir or Madam,

It was with great concern I read in the local paper, that Warwick District Council are considering a permanent Gipsy site on the Stratford Rd.

I would like to raise the following points,

- ① This is the main access route from the M40 into Warwick & would not be very attractive.
- ② The developers of Chase Meadow area have gone to considerable expense to make the entrance very attractive, it would be sacrilege to spoil it with a caravan site.
- ③ From the travelers point of view who in their right mind would want to live adjacent to a sewerage works, perhaps the council would find it easier to dispose of all the rubbish & effluent created by the travelers placing the site here.
- ④ The street lights are now switched off at midnight, local residents are very concerned with the reputation that some travelers have of antisocial behavior.

P.T.O

⑤ As they are called travelers why do they need a permanent site at tax payers expense.

⑥ Maybe they could put the site next to Mr Chris Elliotts home & see how he likes it.
