If you wish to support the legal compliance or soundness of the Proposed Modifications, please also use this box to set out your comments.

An objection is submitted to the proposed allocation under Policy H52, on the basis the allocation would extend housing development beyond a reasonable level of accessibility to public transport services. While it is acknowledged that Framework 29 states that different policies and measures will be required in 'different communities and opportunities to maximise sustainable transport solutions will vary from urban to rural areas' other opportunities are available to meet housing requirements, which would promote the choice of public transport. The site edged red on the attached plan is such a location where new housing can be satisfactorily accommodated, adjoining Radford Semele, in addition, this site was originally identified as a preferred option in the 2014 Village Housing options for Radford Semele as Site 1. Though it is acknowledged that a larger site was dismissed at appeal in 2015 (2222868), that proposal was for up to 130 dwellings. A far smaller development of a similar scale to the proposal at H52 would be entirely appropriate and have the benefit of being located on a site the LPA originally identified as their preferred option for the village. This location 'provides a real choice' for future residents as to how they will travel to facilities within Radford Semele and particularly within Leamington Spa. Such choice is not realistically achievable in the allocation of land off Golf Lane.

Continue on a separate sheet if necessary

8. Please set out what change(s) you consider necessary to make the Proposed Modifications to the Submission Warwick District Local Plan legally compliant or sound, having regard to the test you have identified at Question 5 above where this relates to soundness. You will need to say why this change will make the Local Plan/Sustainability Appraisal legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

DELETE H52 from the Local Plan and release the land edged red on the accompanying plan for housing development to accommodate 60 dwellings.

Continue on a separate sheet if necessary

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested changes, as there will not normally be a subsequent opportunity to make further representations. Further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.
