If you wish to support the legal compliance or soundness of the Proposed Modifications, please also use this box to set out your comments.

I do not believe there are 'exceptional circumstances' to remove the land north of Milveaton from the Green belt. There are lower green belt value sites nearer to Coventry. A park and ride scheme is not needed in Leamington as there is ample parking in the town.

8. Please set out what change(s) you consider necessary to make the Proposed Modifications to the Submission Warwick District Local Plan legally compliant or sound, having regard to the test you have identified at Question 5 above where this relates to soundness. You will need to say why this change will make the Local Plan/Sustainability Appraisal legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

The land north of Milveaton should remain in the green belt.

The development proposed on this land should be relocated to other sites of less 'green belt value' nearer to Coventry where the additional housing is required.
