7. Please give details of why you consider the Proposed Modifications to the Submission Warwick District Local Plan are not legally compliant or are unsound. Please be as precise as possible. If you wish to support the legal compliance or soundness of the Proposed Modifications, please also use this box to set out your comments.

There are two main modifications affecting Hampton Magna that I wish to object to:

- Allocation of land (H51) South of Lloyd Close for 115 homes
- Increase in housing density to the land (H27) South of Arras Boulevard from 100 to 130 homes

My reasons for objection are as follows:

Character of the village, which currently has a unique character and feel and would be adversely affected by such a large increase in new homes. Also the character of the landscape around it, the setting of the village. A decrease in useable open space for leisure activities; fields are used regularly by local residents for walking.

Access – roads into the village narrow to one track in parts, increase in traffic would increase congestion.

Congestion – in and out of the village, but also the area around the shop/post office, medical centre & school. Parking is already limited and school drop off/pick up times are very congested and busy.

Safety – local children currently play in the streets within the village itself, this would become dangerous with an increase in traffic.

Pressure on **existing services** and community facilities. Only one small shop, plus school and medical centre.

Train station also at capacity at peak hours.

Continue on a separate sheet if necessary

8. Please set out what change(s) you consider necessary to make the Proposed Modifications to the Submission Warwick District Local Plan legally compliant or sound, having regard to the test you have identified at Question 5 above where this relates to soundness. You will need to say why this change will make the Local Plan/Sustainability Appraisal legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Continue on a separate sheet if necessary

Further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.
