The use of green belt should only be used in exceptional circumstances. There are no good reasons why this green belt land should be used as it forms a vital separation between Leamington and Kenilworth/Warwick.

The use of green belt for a park and ride scheme is also inappropriate and not needed. The park and ride scheme in Stratford is underused despite its proximity to Stratford Parkway station and Stratford being a much bigger tourist attraction. Should a park and ride be needed it should be sited near the A46 so it could serve Leamington, Kenilworth and Warwick via A46.

Continue on a separate sheet if necessary

8. Please set out what change(s) you consider necessary to make the Proposed Modifications to the Submission Warwick District Local Plan legally compliant or sound, having regard to the test you have identified at Question 5 above where this relates to soundness. You will need to say why this change will make the Local Plan/Sustainability Appraisal legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Place any additional housing required because of Covertrays shortfall, nearer to Coventry to limit travelling, pollution etc. There is land by Green lane, Finham and Kings Hill lane that should be used first. Councillor Gifford identified this in the Courier. Remove an unneeded Park and Ride from the Local Plan.
