7. Please give details of why you consider the Proposed Modifications to the Submission Warwick District Local Plan are not legally compliant or are unsound. Please be as precise as possible. If you wish to support the legal compliance or soundness of the Proposed Modifications, please also use this box to set out your comments.

Proposing Green Belt locations for development on the edge of built-up areas is contrary to established Green Belt policies. A key purpose of the Green Belt is to curb urban sprawl but the proposed policies include 'urban extension' which is another way of saying urban sprawl. The Sustainability Appraisal Addendum recognizes (Table 3.5 para 3.24) that proposed urban extensions would have cumulative and potentially major negative effects on landscape, visual amenity and openness through loss of Green Belt and that these would remain even after so-called mitigation.

According to the Joint Green Belt Study (JGBS) of 2015, the proposed site for 1800 houses, Kings Hill (H43), comprises Green Belt parcel C14 in Broad Area 3 which is assessed as making a considerable contribution to all the purposes of the Green Belt (para 4.12)

The combination of the unjustified sub-regional employment site (Policy DS16) and the excessive housing proposals would devastate the Green Belt south of Coventry, extending the sprawl of Coventry around Baginton towards Stoneleigh and Bubbenhall.

Continue on a separate sheet if necessary

8. Please set out what change(s) you consider necessary to make the Proposed Modifications to the Submission Warwick District Local Plan legally compliant or sound, having regard to the test you have identified at Question 5 above where this relates to soundness. You will need to say why this change will make the Local Plan/Sustainability Appraisal legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

The proposed policy must be modified to apply only to areas outside the Green Belt.

There are non-Green Belt alternatives available for housing within the Strategic Housing Market area and for sub-regional employment land in the wider sub-region.

Continue on a separate sheet if necessary

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested changes, as there will not normally be a subsequent opportunity to make further representations. Further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.

9. If your representation is seeking a change, do you consider it necessary to participate at the oral part of the examination?

No, I do not wish to participate at the oral examination

Yes, I wish to participate at the oral examination

10. If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary:

Bubbenhall Parish Council wishes to make clear to the Inspector the immense harm to the Green Belt, particularly the area that forms a crucial boundary with the city of Coventry that would result if the proposals in the Local Plan were implemented.

Continue on a separate sheet if necessary

Please note: This written representation carries the same weight and will be subject to the same scrutiny as oral representations. The Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate at the oral part of the examination.
