| Effective: | <input checked="" type="checkbox"/> |

7. Please give details of why you consider the Proposed Modifications to the Submission Warwick District Local Plan are not legally compliant or are unsound. Please be as precise as possible. If you wish to support the legal compliance or soundness of the Proposed Modifications, please also use this box to set out your comments.

The planned access through the community car park is too steep for reasonable future access, particularly in icy weather. This will also remove valuable car parking for the community hall which has only just been constructed to relieve pressure on parking for users of the hall. This also seriously impacts the facilities and safety of the play area of the Mutton Park. The wide infrastructure (Birmingham Road) is already over used at peak times and the addition of 55 homes will add to this burden.

Continue on a separate sheet if necessary

8. Please set out what change(s) you consider necessary to make the Proposed Modifications to the Submission Warwick District Local Plan legally compliant or sound, having regard to the test you have identified at Question 5 above where this relates to soundness. You will need to say why this change will make the Local Plan/Sustainability Appraisal legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Close an alternative access point or an alternate location altogether that preserves the safety and open feel of the play area and village hall.
Consider fresh site with dedicated access or new roundabout close to A46 that doesn't create further impact on Mutton Park.

Continue on a separate sheet if necessary

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested changes, as there will not normally be a subsequent opportunity to make further representations. Further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.
