Please use this form if you wish to support or object to the Proposed Modifications

This form has two parts:

- Part A – Personal Details
- Part B – Your Representations

If your comments relate to more than one proposed Modification you will need to complete a separate Part B of this form for each representation.

This form may be photocopied or alternatively extra forms can be obtained from the Council's offices or places where the Modifications have been made available (see the table below). You can also respond online using the Council's e Consultation System, visit: www.warwickdc.gov.uk/newlocalplan

Please provide your contact details so that we can get in touch with you regarding your representation(s) during the examination period. Your comments (including contact details) cannot be treated as confidential because the Council is required to make them available for public inspection. If your address details change, please inform us in writing. You may withdraw your objection at any time by writing to Warwick District Council, address below.

All forms should be returned by 4.45pm on Friday 22 April 2016

To return this form, please deliver by hand or post to: Development Policy Manager, Development Services, Warwick District Council, Riverside House, Milverton Hill, Leamington Spa, CV32 5QH or [email: newlocalplan@warwickdc.gov.uk](mailto:newlocalplan@warwickdc.gov.uk)

(Please tick)

Positively Prepared:

Justified:

Effective:

Consistent with National Policy:

7. Please give details of why you consider the Proposed Modifications to the Submission Warwick District Local Plan are not legally compliant or are unsound. Please be as precise as possible. If you wish to support the legal compliance or soundness of the Proposed Modifications, please also use this box to set out your comments.

I believe that the extension of the Local Plan to involve fields on land East of Cubbington designated in the plan as H50 is neither legal nor sound for a number of reasons.

Firstly this is land designated as Green Belt and the National Planning Policy Framework states that green belt boundaries should only be altered in exceptional circumstances and these are not set out convincingly in relation to this particular modification.

I then have a number of concerns about the assessment made as to the choice of this site and its affects on the village and its community.

The most serious is that the assessment acknowledges that the steeply sloping site is adjacent to an area of flood risk in the existing village due to surface water run off into a brook called the Pingle. This is confirmed in the Environment Agency Flood Maps (latest edition 2013). In the assessment it states that sufficient mitigation will be available (using a Sustainable Urban Drainage scheme (SUDS)).

It does not make clear whether this has been fully assessed by the Environment Agency since over £0.9 Million was spent early in 2013 to provide an second mitigation scheme for the existing problem following a failure of the first mitigation scheme in 2007 resulting in extensive flooding of houses adjacent to the Pingle. I am not convinced that these houses would not be put at more risk from run off from a new housing estate on this field.

8. Please set out what change(s) you consider necessary to make the Proposed Modifications to the Submission Warwick District Local Plan legally compliant or sound, having regard to the test you have identified at Question 5 above where this relates to soundness. You will need to say why this change will make the Local Plan/Sustainability Appraisal legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

I would propose that plans to build on site H50 should be abandoned both as no justification has been made for its removal from the Green Belt and the risk of the development severely affecting the existing village and its community as set out above.

I believe that building on sites H25 and H26 would provide sufficient housing for local needs in the village and that these will already have significant affects on village infrastructure.

Continue on a separate sheet if necessary

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested changes, as there will not normally be a subsequent opportunity to make further representations. Further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.

9. If your representation is seeking a change, do you consider it necessary to participate at the oral part of the examination?

No, I do not wish to participate at the oral examination

Yes, I wish to participate at the oral examination

10. If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary:

I believe that the latest modifications of the Local Plan have been rushed through with inadequate time for public consultation and no involvement of our local representatives such as the Parish Council. There is a need for careful scrutiny of the affects of these on the village of Cubbington and there has been no opportunity to discuss these at a public meeting or to get expert advice on concerns such as the risk of flooding and inadequacy of local infrastructure.

Continue on a separate sheet if necessary

Please note: This written representation carries the same weight and will be subject to the same scrutiny as oral representations. The Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate at the oral part of the examination.
