Part B - Your Representations

Please note: this section will need to be completed for each representation you make

4. To which proposed Modification to the Submission Plan or the updated Sustainability Appraisal (SA) does this representation relate?

Modification or SA:	Removal of land from Green Belt
Mod. Number:	16
Paragraph Number	2.81
Mod. Policies Map Number:	1444

5. Do you consider the Local Plan is :

5.1 Legally Compliant? Yes No

5.2 Sound? Yes No

6. If you answered no to question 5.2, do you consider the Proposed Modification is unsound because it is not:

(Please tick)

Positively Prepared:	<input type="checkbox"/>
Justified:	<input checked="" type="checkbox"/>
Effective:	<input type="checkbox"/>
Consistent with National Policy:	<input checked="" type="checkbox"/>

7. Please give details of why you consider the Proposed Modifications to the Submission Warwick District Local Plan are not legally compliant or are unsound. Please be as precise as possible. If you wish to support the legal compliance or soundness of the Proposed Modifications, please also use this box to set out your comments.

This land is green belt land. Since there are no exceptional circumstances, the status of the land should not change. Worse still, Leamington land should not be designated to deal with the needs of Coventry. This will damage the beauty of Leamington and makes a mockery of green belt status.

Continue on a separate sheet if necessary

8. Please set out what change(s) you consider necessary to make the Proposed Modifications to the Submission Warwick District Local Plan legally compliant or sound, having regard to the test you have identified at Question 5 above where this relates to soundness. You will need to say why this change will make the Local Plan/Sustainability Appraisal legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

The only way to change the plan to make it sound and legally compliant is to scrap the idea of changing the status of the green belt land. Use of non-green belt sites should be considered for Leamington housing requirements. Use of Leamington land for Coventry requirements is unsound. Coventry land should be used.

Continue on a separate sheet if necessary

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested changes, as there will not normally be a subsequent opportunity to make further representations. Further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.

9. If your representation is seeking a change, do you consider it necessary to participate at the oral part of the examination?

No, I do not wish to participate at the oral examination

Yes, I wish to participate at the oral examination

10. If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary:

The arrangements for people to provide negative feedback to these plans is not adequate. The Council has made it difficult to lodge objections on line. Only by discussing orally can the real objections be heard properly.

Continue on a separate sheet if necessary

Please note: This written representation carries the same weight and will be subject to the same scrutiny as oral representations. The Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate at the oral part of the examination.

11. Declaration
