I consider the plan for 4000 houses but too large.  
Little thought of the effect to local environment.  
It is too easy to use a large area but so many houses  
the infrastructure would not cope.  
Roads in the area will not cope with the increased traffic.  
There is no benefit to Coventry City at all.  
It is totally wrong to use the Green Belt land in this way.  
A great shame.

It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.
