The perimeter road at Hatton Park
i.e. Barcheston / Charnworth Drive have
always caused heavy vehicles difficulty.
These roads are much too narrow and this
can be seen by the marks on kerbs and verges.
To propose any sort of access/exit by the village
hall would be ridiculous as the exit, now, cannot
always be seen from the bend. 55 additional
houses, averaging 1 1/2 cars per house would
create mayhem at commuter times and be a
danger to children and all pedestrians.

8. Please set out what change(s) you consider necessary to make the Proposed Modifications to the Submission Warwick District Local Plan legally compliant or sound, having regard to the test you have identified at Question 5 above where this relates to soundness. You will need to say why this change will make the Local Plan/Sustainability Appraisal legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Whilst no one would argue housing is
required for the U.K.'s growing population.
It shouldn't be necessary to continuously
target "green belt" when there are still
more urban "brown field" options around
Warwick.

The plan always seems to be "tack it on
to the green belt" and thus increase the
pressure on local services, schools and

medical practices and
do nothing.

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested changes, as there will not normally be a subsequent opportunity to make further representations. Further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.

7 (cont'd)

To access this proposed site via the Village hall car park will in itself use up a large proportion of green belt due to the steepness of the incline.

To add another 55 families to Hatton Park would, without additional infrastructure improvements, put more load on the local schools, doctors and the Birmingham Road which has already proven to be a heavily congested and dangerous trunk road.

9. If your representation is seeking a change, do you consider it necessary to participate at the oral part of the examination?

No, I do not wish to participate at the oral examination

Yes, I wish to participate at the oral examination

☐

10. If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary:

Continue on a separate sheet if necessary
