~~WARWICK DISTRICT COUNCIL~~ Madam

Local Plan Hampton Magna

With the proposed plan for the extra houses in Hampton Magna the whole character of the village will be destroyed. It will cease to be a village and become a small town.

I have absolutely no objection to extra housing

even at the bottom of
my road, it's the sheer
volume that is wrong.
40% extra housing
added to Hampton Magna
is just plain wrong.

Please think again.
