The development is required for Coventry housing needs. There are various sustainable sites closer to Coventry and should be used instead. Development of land North of Leamington will cause unnecessary traffic, pollution and destruction of environment. The need will not lower Coventry as noone will travel so far. The Park & Ride is unsustainable as there will be no dedicated buses. Why not build close to Coventry. Development of this area will mean losing a vital valuable green belt and destroying Leamington. Development can continue as part of Thicketon development as it focuses on A46 roundabout.

8. No development will take place north of Leamington as no exceptional circumstances have been demonstrated.

The land North of Leamington is one of few green belts left in Leamington. It acts as a haven for wildlife and the endangered rare Great Crested Newt. It is not wasted land but acts as productive agricultural land. It is the doorway to Leamington and anyone coming into Leamington appreciates its beauty. It is used by walkers, joggers, children. Destroying such a valuable green belt seems irresponsible to future generations.
