No exceptional circumstances for the development of this land have been identified.

This land is a much used leisure facility for Leamington residents, who use it regularly for walking, running, cycling. There is much wildlife here, including protected great crested newts.

Routes into Leamington around this area are already massively congested at peak times.

If you wish to support the legal compliance or soundness of the Proposed Modifications, please also use this box to set out your comments.

There appears to be no exceptional circumstances for the removal of this Green Belt land. New housing needs to be closer to Coventry, thus reducing congestion. Increased housing will mean creeping urbanisation between Leamington/Kenilworth/ Warwick. The land north of Milverton provides an important leisure amenity for the people of N. Leamington, who can walk from their homes to access areas for walking.
