If you wish to support the legal compliance or soundness of the Proposed Modifications, please also use this box to set out your comments.

- (a) I am of the view the proposed site is unsustainable due to a lack of infrastructure (eg public transport, shops, schools) necessitates additional car use & does not comply with National Planning Policy Provisions in order to secure a sustainable development.
- (b) Burchester Drive is far too narrow to allow for heavy plant movement and the damage the proposed works would do to the Village Hall & adjacent playground would be immeasurable.
- (c) Already seeing traffic congestion every day on A41
- Continue on a separate sheet if necessary

Please set out what change(s) you consider necessary to make the Proposed Modifications to the Submission Warwick District Local Plan legally compliant or sound, having regard to the test you have identified at Question 5 above where this relates to soundness. You will need to say why this change will make the Local Plan/Sustainability Appraisal legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

- I understand The Oakland Farm site is suitable for housing & adjacent to the A41 which would avoid issues such as access & convenience.
- Continue on a separate sheet if necessary

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested changes, as there will not normally be a subsequent opportunity to make further representations. Further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.
