7. Please give details of why you consider the Proposed Modifications to the Submission Warwick District Local Plan are not legally compliant or are unsound. Please be as precise as possible. If you wish to support the legal compliance or soundness of the Proposed Modifications, please also use this box to set out your comments.

- Access from the Village Hall is unsuitable due to the slope issue and loss of car parking facilities and location of children's playground being too close to road.
- Barcheston Drive is too narrow and with traffic calming in existence would make it impossible for heavy plant to access site plus cars parked along road by news hawker make it unsafe.
- Local amenities already stretched i.e. schools, doctors, transport
- Birmingham Road is a busy road which has seen fatal accidents and would struggle to support additional traffic.
- The plans do not provide for any improved infrastructure
- This is green belt, why not use 'Brown' sites of which there are plenty.

Continue on a separate sheet if necessary

8. Please set out what change(s) you consider necessary to make the Proposed Modifications to the Submission Warwick District Local Plan legally compliant or sound, having regard to the test you have identified at Question 5 above where this relates to soundness. You will need to say why this change will make the Local Plan/Sustainability Appraisal legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

The Oaklands Farm site would be more suitable a roundabout could be sited to slow traffic at this point of access. Plant access would be easier and less damaging to existing road structure.
