7. Please give details of why you consider the Proposed Modifications to the Submission Warwick District Local Plan are not legally compliant or are unsound. Please be as precise as possible. If you wish to support the legal compliance or soundness of the Proposed Modifications, please also use this box to set out your comments.

Exceptional circumstances required by the National Planning Policy framework to remove the land north of Milverton from the Green Belt have not been demonstrated by Warwick District Council.

How will this support Coventry's housing need? It is unlikely that people that work in Coventry and want to live there will buy houses on land north of Milverton.

There are lower value Green Belt sites closer to Coventry and on the basis of planning precedent these should be used in preference to the land at Old Milverton.

Bad planning from Warwick District Council – promoting commuting from Old Milverton to Coventry – irresponsible as it will cause traffic congestion.

The 'Green Lung' between Leamington Spa and Kenilworth will be less than 1.5 miles.

Continue on a separate sheet if necessary

8. Please set out what change(s) you consider necessary to make the Proposed Modifications to the Submission Warwick District Local Plan legally compliant or sound, having regard to the test you have identified at Question 5 above where this relates to soundness. You will need to say why this change will make the Local Plan/Sustainability Appraisal legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

The land to the north of Milverton should remain in the Green Belt. The development proposed on the land north of Milverton should be reallocated to alternative sites closer to Coventry, which have a lower 'Green Belt' value and are capable of delivering the required housing.

Continue on a separate sheet if necessary

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested changes, as there will not normally be a subsequent opportunity to make further representations. Further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.
