7. Please give details of why you consider the Proposed Modifications to the Submission Warwick District Local Plan are not legally compliant or are unsound. Please be as precise as possible. If you wish to support the legal compliance or soundness of the Proposed Modifications, please also use this box to set out your comments.

1) I believe that the Exceptional circumstances required by law to remove land from the Green Belt North of Leamington have not been demonstrated.  
2) Residents of Hspa use this land in large numbers to walk, run, cycle, ride and bird watch it is a valuable amenity which would be lost.  
3) The green link between Leamington + Kenilworth will be down to 1/2 miles.  
4) Congestion is already bad on the local roads.  
5) There is land closer to Coventry which would suit the people of Coventry better.

8. Please set out what change(s) you consider necessary to make the Proposed Modifications to the Submission Warwick District Local Plan legally compliant or sound, having regard to the test you have identified at Question 5 above where this relates to soundness. You will need to say why this change will make the Local Plan/Sustainability Appraisal legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

In order that the modification 16 and 14 become sound, the land North of Nibleston should not be taken out of the Green Belt. The development - which we understand is to help Coventry - should be reallocated to sites closer to Coventry which have a lower 'Green Belt' value, are capable of delivering the required housing, will not produce congestion in N. Leamington and provide people who work in Coventry and wish to travel to work stress free with affordable homes.

Continue on a separate sheet if necessary

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested changes, as there will not normally be a subsequent opportunity to make further representations. Further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.
