I think the modifications are unsound for the following reasons

- Δ access onto Coventry Road - traffic 3 businesses
- Δ traffic at crossroads with Rugby Road. accident hot spot
- Δ increase possibility of flooding - previous history
- Δ lack of schooling (infrastructure) surrounding schools full already
- Δ increase in number of dwellings with no consultation
35 / 65 now 100 / 155

Δ green belt not exceptional

I have several reasons for objecting to the modifications for H26. Why was there no consultation for increasing the amount of homes in this area? The Coventry road already has 3 businesses upto the Rugby Road with all extra parking from Willow Sheets Meadow upto the Rugby Road it is only 1 way traffic with parking on 1 side.

As a local teacher I know all the local schools are full and wonder where any new Primary children will go?

As a previous New Street home owner I know and have experienced flooding and feel the high risk of flooding with more houses is unacceptable to the people of Cubbington who have suffered greatly over the past years.

As a village we are already suffering from the H26 development and feel our local infrastructure cannot take anymore homes.
