7. Please give details of why you consider the Proposed Modifications to the Submission Warwick District Local Plan are not legally compliant or are unsound. Please be as precise as possible. If you wish to support the legal compliance or soundness of the Proposed Modifications, please also use this box to set out your comments.

Releasing land from the Green Belt requires the value of potential sites to be taken into account and those with the least value to be removed from the Green Belt first: WDC, together with Coventry City Council, has determined sites on the edge of Coventry as being of lower Green Belt value. These should be used in preference to the land north of Milverton. The Exceptional Circumstances required by the National Planning Policy Framework to remove the land north of Milverton from the Green Belt have not been noted by WDC.

Continue on a separate sheet if necessary

8. Please set out what change(s) you consider necessary to make the Proposed Modifications to the Submission Warwick District Local Plan legally compliant or sound, having regard to the test you have identified at Question 5 above where this relates to soundness. You will need to say why this change will make the Local Plan/Sustainability Appraisal legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

The land north of Leamington should remain in the Green Belt.

The proposed development on this land should be reallocated to alternative sites closer to Coventry which have a lower Green Belt value and can accommodate the required housing.

Continue on a separate sheet if necessary

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested changes, as there will not normally be a subsequent opportunity to make further representations. Further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.

7. Please give details of why you consider the Proposed Modifications to the Submission Warwick District Local Plan are not legally compliant or are unsound. Please be as precise as possible. If you wish to support the legal compliance or soundness of the Proposed Modifications, please also use this box to set out your comments.

The proposed development is to support Coventry Council's housing need. There are sustainable sites closer to Coventry that should be used instead of north of Milverton to reduce unnecessary commuting, traffic congestion and expensive road construction to alleviate the latter. In any case people who want to live and work in Coventry are unlikely to buy houses in the Leamington area, which is much more expensive than Coventry.
