5.1 Legally Compliant? Yes No

(Please tick)

Positively Prepared:	<input type="checkbox"/>
Justified:	<input checked="" type="checkbox"/>
Effective:	<input checked="" type="checkbox"/>
Consistent with National Policy:	<input type="checkbox"/>

7. Please give details of why you consider the Proposed Modifications to the Submission Warwick District Local Plan are not legally compliant or are unsound. Please be as precise as possible. If you wish to support the legal compliance or soundness of the Proposed Modifications, please also use this box to set out your comments.

- The Birmingham Road will struggle to accommodate the extra traffic created by the additional housing. It is already regularly at a standstill leaving Matton Park at rush hour times.
- The road network in general around Matton Park is narrow and unsuitable for additional vehicles in particular those involved in housing construction.
- There is a general lack of local infrastructure making the site environmentally unsustainable (a lack of schools, shops, buses etc) meaning additional car use is essential and thus this does not comply with the National Planning Policy Framework's requirement to secure sustainable development.

Continue on a separate sheet if necessary

8. Please set out what change(s) you consider necessary to make the Proposed Modifications to the Submission Warwick District Local Plan legally compliant or sound, having regard to the test you have identified at Question 5 above where this relates to soundness. You will need to say why this change will make the Local Plan/Sustainability Appraisal legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

- Alternative location close to existing schools, places of work, health centres and with better transport links for instance the old building of North Leam School. Choose brownfield sites rather than destroying the whole reason why people chose to live in a rural location.
- Preferable to the current proposal would be The Oakland Farm site, previously considered as a traveller site.

Continue on a separate sheet if necessary

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested changes, as there will not normally be a subsequent opportunity to make further representations. Further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.
