(Please tick)

Positively Prepared:	<input checked="" type="checkbox"/>
Justified:	<input checked="" type="checkbox"/>
Effective:	<input checked="" type="checkbox"/>
Consistent with National Policy:	<input type="checkbox"/>

7. Please give details of why you consider the Proposed Modifications to the Submission Warwick District Local Plan are not legally compliant or are unsound. Please be as precise as possible. If you wish to support the legal compliance or soundness of the Proposed Modifications, please also use this box to set out your comments.

Green belt land should under no circumstances be used for new housing developments. That's the point of green belt land.

A park and ride for Coventry, in Leamington is unjustified and plain stupid. A park and ride for Coventry ought to be just outside Coventry.

All developments planned will increase traffic on multiple roads and planned road changes will not be enough to deal with the increased traffic.

Continue on a separate sheet if necessary

8. Please set out what change(s) you consider necessary to make the Proposed Modifications to the Submission Warwick District Local Plan legally compliant or sound, having regard to the test you have identified at Question 5 above where this relates to soundness. You will need to say why this change will make the Local Plan/Sustainability Appraisal legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Stop these changes. They are not required. The park and ride is completely unwarranted. If the Council was to do something useful and welcome in this area it would be to create a cycle path between Leamington and Kenilworth.

Continue on a separate sheet if necessary

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested changes, as there will not normally be a subsequent opportunity to make further representations. Further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.

9. If your representation is seeking a change, do you consider it necessary to participate at the oral part of the examination?

No, I do not wish to participate at the oral examination

Yes, I wish to participate at the oral examination

10. If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary:

The consultation around bus has been poor. The arrangements for lodging dissatisfaction with current plans are very poor. It appears that the planning department do not actually want any feedback. But they must be told. Once they build on the green belt it will never be beautiful again!

Continue on a separate sheet if necessary

Please note: This written representation carries the same weight and will be subject to the same scrutiny as oral representations. The Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate at the oral part of the examination.
