Dear Sir,

Local Plan-Preferred Options.

I wish to register my objection to Council proposals to develop green belt land to the North of Leamington at Blackdown and Old Milverton for the following reasons;

1. It would be quite wrong to develop green belt land when other land exists elsewhere in the district.
2. We should not reduce the existing green area that separates Leamington and Kenilworth.
3. The proposed and costly relief road would effectively destroy Milverton with its existing village atmosphere.

In my opinion, no convincing case has been made for building on green belt land and the urban sprawl that would result.

Yours faithfully
