The Chief Planning Officer
Warwick District Council
Riverside House
Old Milverton
Leamington Spa.

Dear Sirs,

New Local Plan for Warwickshire Development

I understand that there is a new Local Plan being prepared for this area to cover all planning applications for the next 15 years.

Two very important matters which I hope you will include are:

Provision of schools for this area, and

Provision for churches and places of worship.

Would you ensure that adequate provision is made for these on your plan, taking into account the towns and villages covered and the number of people involved, including new housing developments. I feel it is essential that these provisions are included. Education is so important. Also, in past years at times of stress such as wars and emergencies the churches have been full of people.

Thanking you in anticipation,

Yours sincerely,
