Dear Sir. 23.7.12.

I object strongly to the plans to enlarge Loxley village.

I have lived here for 40 yrs. + 2 estates. - and these houses have spoilt the character.

3 adjacent estates also have not helped being in Stratford area (Wroxton + Clarendon) also on the border of Norton Lindsey.

We have one pub + no other facilities. - Cars will be needed! + the roads [redacted] are hazardous already [redacted]
