Dear Sir/Madam,

This is my letter of objection to building on Green Belt Land in Blackdown and Old Milverton as shown in the 2012 Preferred options Plan. This area is an asset to Leamington Spa and Kenilworth. It is enjoyed by many walkers, runners riders and cyclists and should be preserved at all costs. What is the point of designating any land as greenbelt if council's can simply build on them, especially when there are better alternative brown field sites south of Leamington. It would be shameful to build here until you have exhausted all alternatives and checked that the number of houses you require is needed.

Yours Faithfully
