- A Government Inspector found in favour of No development of Woodside Farm in the Regional Spatial Strategy programme. The arguments are the same against development. So what has changed and above all why is it in phase 1?
- The volume of traffic using Tachbrook Rd, Ashford Road and Harbury Lane has increased dramatically since the Revival of Rover Land Rover / Jaguar. Extra Housing would make extra problems especially at peak times and school pick up times.
- Flooding would become a problem because of the steep incline of the land at Woodside Farm. This will affect Warwick Gates, which already relies on flood ponds.
- Before any development takes place have all the empty houses and commercial premises been taken into account in the planning.
- The Government has recommended that Urban Sprawl be prevented. Woodside Farm is Urban Sprawl and the facilities in Whitnash will struggle to cope. Plus the ethos of a small town will be completely lost.
