What is the nature of your representation?

Support

Object

Please set out full details of your objection or representation of support. If objecting, please set out what changes could be made to resolve your objection (Use a separate sheet if necessary).

My Granddaughter and her family
are in Congreve Close on the Woodloes
where the planned 180 houses on
Laves farmland is being discussed.
They are telling us that a Roundabout
may well be put right in front of
my families house - and with them
having small children this is
highly dangerous. This would also
put a strain on the community's
resources which are all already
stretched.
