PO 12 Climate Change

- Norton Lindsey is a small village with limited transport facilities. Most houses have two vehicles, and increase in housing would add to carbon emissions increase the rate of climate change
- The use of vehicles is essential due to very limited public transport services, roads are so narrow to take more traffic, and it would be very dangerous place to ~~live~~ be.

Suggest: Remove Norton Lindsey from the list.

- Development on the scale proposed in the Local Plan would severely impact ~~on~~ on the historic environment.
 - Residents of Norton Lindsey are proud of the historic and attractive nature of the village and specifically the Conservation Area.
 - In addition to the Conservation Area there are a number of listed buildings and historical landmarks, the context of which needs to be sympathetically maintained.
