Dear Sir,

24.7.12.

I wish to register my opposition to the proposed amendment of the building of new houses. Brown sites have to be used, but to create so much beautiful green belt is a scandal. It seems the council is deliberately trying to ruin the area.

creation of employment is mentioned - what employment?

Poor Leamington is like a dead duck, there are no really good estates left in the town. Warwick is a lot better but not much.

Why weren't horses killed on the
old Ford site instead of another
supermarket?

The entire scheme seems to be badly
thought out, & I feel will do little
benefit to the area - in its present form!

Yours faithfully
