The Greenbelt in 2012 National Planning policy Framework, the Government attaches great importance to Green belts.

- 1) to check the unrestricted sprawl of large built up areas
- 2) to prevent neighbouring towns merging into one another
- 3) to assist in safeguarding the countryside from encroachment
- 4) to preserve the setting & special character of historic towns
- 5) to assist in urban regeneration by encouraging the recycling of derelict & other urban land.

Loes Farm fits 4 out of the 5 above, so not only are you trying to go against the residents but also the Government.

We have endangered species, ancient hedgerow old trees etc.
