Dear Sir.

re: Proposals for East
Kenilworth

MA
PRE GEN DIS

I write on behalf of Mrs
Barbara Herpes of G. Parkhouse
Lane Kenilworth who strongly
oppose the development of farm
land between the lane and the
A46.

The area of farm land separates
Kenilworth and Beaminster
and is of huge amenity value

for dog walkers; those seeking recreation etc. A large housing estate sited on this land will affect deleteriously the aspect of this side of Kenilworth. New houses adjoining the A46 will no doubt reduce the noise from this busy road but the occupants will be very aware of traffic roar at most times of day.

Yours sincerely
