With reference to schools, I would just like to emphasis how impotent it is to ensure sufficient school places are available for children of all ages within their local area.

When Warwick Gates was built, schooling appears to have been forgotten and Whitnash children have had problems getting school places since. Provision needs to be made for Whitnash children from primary, to Junior, to Secondary school. With all the building in Whitnash, Leamington and Warwick I have genuine concerns regarding school places for my children in the future.
