I am glad to see that you include places of worship in your comment on the enrichment of people's lives. I believe that christian teaching is an essential element in a vibrant and caring community.

However I note that you have not included churches or gospel halls in PO17. Should not provision of these be clearly stated as a matter of policy? A clear ^{written} commitment to promoting this enrichment is needed if it is to take place.

I note that you briefly mention schools in your Infrastructure Plan. However I believe more weight should be given to the provision of suitable schooling in the district and PO13 should include specifically the detailed provisions of National Planning Policy Framework Paragraph 72 (Pages 17 & 18).
